Hunters Point Naval Shipyard Superfund Site, San Francisco, CA. On Monday, October 15, 2018, the San Francisco Board of Supervisor's Land Use and Transportation Subcommittee will conduct a hearing at the request of Supervisor Malia Cohen, District 10 to obtain an update regarding the radiation investigation of Parcel G. The Supervisor has asked Enrique Manzanilla (EPA Region 9 Superfund Division Director) to participate along with representatives from the US Navy, the California Department of Toxic Substances Control, the California Department of Public Health and the San Francisco Department of Public Health. The hearing and the associated issues have continually been in the press, especially the CDPH's radiation survey of the former Parcel A property. (Lily Lee, 7-4187 and Jackie Lane, X2-3236)
